HOW ABOUT A BOWLING SHINDIG?

We know and love parties at Crafton Ingram Lanes. From corporate team building events, bachelor/ette parties, holiday festivity, to the classic birthday celebration. You just can't beat a bowling get-together. Where else can you hang out with your company, devour tasty treats and knock down some pins!

At Crafton Ingram Lanes we've upgraded the classic bowling get-together. We introduce "The Suite!" This is our amazingly spacious and exceptional party area. Bowling meets a modern relaxed vibe perfect for parties up to 25 bowlers. Not only is it spacious and comfortable, but challenge your friends to see who can throw the most strikes...or gutter balls. Then see who is the master of the virtual world with our collection of the latest PS5 and Nintendo Switch games! "The Suite" is not your average bowling party!

Let us help make your next celebration a memorable one! Joshua, our event director, is ready to help plan the perfect event with you!
